

Hello! I'm Merine Margaran

QA engineer with 3+ years of experience with great attention to detail and strong positive attitude to learn new tools and technologies. Desire to assist by utilizing all my skills, knowledge, abilities and experience.

</ Don't limit your challenges. Challenge your limits. />

Experience

Dec 2018 - present

Software Quality Automation Engineer
Tesvan LLC, Armenia

- Implemented automation framework from scratch using Cypress framework. Integrated Cucumber in automation flow. Cypress makes setting up, writing, running and debugging tests easy.

Apr 2017 - Dec 2018

Software Quality Automation Engineer
Synopsis Armenia

Clients I have worked with

Developed test plans and test cases, created bug report and final QA report. Implemented automated tests from scratch using Cypress, integrated Cucumber libraries. Worked with git, docker, Linux commands

Worked with already existing automation test framework using Java, MySQL, Microsoft Azure, Allure reporting. Also performed manual API tests using Postman and SoapUI

Implemented automated test cases for "Fleet Management" using Typescript and Selenium Web Driver.
