

# Hello!

## I'm Merine Margaran

QA engineer with 3+ years of experience with great attention to detail and strong positive attitude to learn new tools and technologies. Desire to assist by utilizing all my skills, knowledge, abilities and experience.

</ Don't limit your challenges. Challenge your limits. />

### Experience

Dec 2018 - present	<div><div>Software Quality Automation Engineer</div><div>Tesvan LLC, Armenia</div><div><ul style="list-style-type: none"><li>Implemented automation framework from scratch using Cypress framework. Integrated Cucumber in automation flow. Cypress makes setting up, writing, running and debugging tests easy.</li></ul></div></div>
Apr 2017 - Dec 2018	<div><div>Software Quality Automation Engineer</div><div>Synopsys Armenia</div><div></div></div>

### Clients I have worked with

	Developed test plans and test cases, created bug report and final QA report. Implemented automated tests from scratch using Cypress, integrated Cucumber libraries. Worked with git, docker, Linux commands
	Worked with already existing automation test framework using Java, MySQL, Microsoft Azure, Allure reporting. Tested a web service. Also performed manual API tests using Postman and SoapUI
	Implemented automated test cases for "Fleet Management" using Typescript and Selenium Web Driver.
